

Republic of the Philippines
NATIONAL ECONOMIC AND DEVELOPMENT AUTHORITY
DEPARTMENT OF BUDGET AND MANAGEMENT

NEDA-DBM JOINT MEMORANDUM CIRCULAR (JMC) NO. 01, s. 2024

Date: 30 September 2024

TO : ALL HEADS OF DEPARTMENTS, AGENCIES, BUREAUS, OFFICES, COMMISSIONS, STATE UNIVERSITIES AND COLLEGES (SUCs), PUBLIC SCHOOLS, GOVERNMENT-OWNED OR -CONTROLLED CORPORATIONS (GOCCs), AND LOCAL GOVERNMENT UNITS (LGUs), INCLUDING LOCAL UNIVERSITIES AND COLLEGES (LUCs)

SUBJECT : IMPLEMENTING GUIDELINES ON THE 2024 INNOVATION GRANTS

I. BACKGROUND/RATIONALE

Republic Act (RA) No. 11293, otherwise known as the “Philippine Innovation Act,” plays a pivotal role in promoting innovation as an essential component of national development and sustainable economic growth in the country. The law aims to harness innovation efforts to assist the poor and marginalized, enable micro, small, and medium enterprises to become integral parts of both domestic and global supply chains, and catalyze the growth of the Philippine economy and local industries. Innovation refers to the creation of new ideas that result in the development of new or improved products, processes, or services, which are subsequently transferred across different markets, thereby creating societal value and improving the welfare of lower-income and marginalized groups.

Section 21 of RA No. 11293 provides for the establishment and administration of the Innovation Fund to strengthen entrepreneurship and enterprises engaged in developing innovative solutions benefiting the poorest of the poor. A revolving fund in the initial amount of One Billion Pesos (PHP 1,000,000,000.00) shall be allocated for the initial years of the law’s implementation. The grants shall also be issued from the Innovation Fund.

For the effective implementation of RA No. 11293, Special Provision (SP) No. 5 of the Fiscal Year (FY) 2024 General Appropriations Act (GAA), under the National Economic and Development Authority (NEDA) - Office of the Secretary (OSEC), appropriates an amount of One Hundred Million Pesos (PHP 100,000,000.00) constituted as a Revolving Fund - Innovation Fund to be used for the issuance of grants for innovation programs, activities, and projects (PAPs). The implementation of the said provision shall be subject to the guidelines to be issued by the NEDA and Department of Budget and Management (DBM) and confirmed by the National Innovation Council (NIC).

Further, NIC Resolution No. 4, series of 2023, authorizes the NEDA, as the NIC Secretariat, to open a current bank account in the Land Bank of the Philippines to serve as the authorized government depository bank account for the Revolving Fund - Innovation Fund. Starting FY 2024, pursuant to Section 21 of RA No. 11293, appropriations for the Innovation Fund under the GAA shall be deposited in the said bank account.¹

II. PURPOSE

This JMC is being issued to provide the rules and regulations for the utilization of funds appropriated for grants supporting innovation PAPs, pursuant to SP No. 5, NEDA-OSEC, under the FY 2024 GAA.

III. SCOPE

This JMC prescribes the types of innovation PAPs eligible for funding. It outlines the organizational structure, responsibilities, eligibility criteria, and the administration processes of the 2024 Innovation Grants. These administration processes include the call, submission, evaluation, and approval of proposals, and monitoring and reporting of funded innovation PAPs.

It shall cover innovation PAPs that focus on promoting and implementing various types of innovation, as proposed by public sector entities such as national government agencies (NGAs), SUCs, public schools, GOCCs, and LGUs, including LUCs, subject to existing government accounting and auditing rules and regulations.

IV. DEFINITION OF TERMS

1. **Call for Proposals** - a public announcement being released by NEDA, as the NIC Secretariat, containing comprehensive details for the submission of proposals for funding under the Innovation Grants.
2. **Commercialization** - this covers the strategies needed to transition innovations into commercial production such as manufacturing, marketing, and distribution. These activities ensure that the innovative products or services are produced at a scale and introduced to the market successfully.
3. **Diffusion** - this involves the dissemination and adoption of innovations by target markets or communities. The corresponding activities aim to spread the innovation widely, promote its benefits and encourage its uptake among potential users. This can include educational campaigns, partnerships, and support mechanisms to facilitate the innovation's acceptance and integration into everyday use.
4. **Double funding** - a situation where the same activity for the same set of beneficiaries receives funding more than once using public funds.

¹ This bank account was opened on 07 December 2023.

5. **Electronic Innovation Grants Information System (EIGIS)** - refers to the web-based information system that collects, analyzes, and reports data on innovation PAPs applied for funding under the Innovation Grants.
6. **Government-Owned or -Controlled Corporation** - refers to any agency organized as a stock or nonstock corporation, vested with functions relating to public needs whether governmental or proprietary in nature, and owned by the Government of the Republic of the Philippines directly or through its instrumentalities either wholly or, where applicable as in the case of stock corporations, to the extent of at least a majority of its outstanding capital stock.²
7. **Grants** - refer to non-repayable transfers received from the government or private individuals or institutions, whether foreign or domestic, which include reparations and gifts given for projects, programs, or general budget support.³
8. **Implementing Entity** - the primary organization approved to execute an innovation PAPs.
9. **Intellectual Property** - refers to intangible assets originating from the innovative efforts of individuals or entities, encompassing products of the intellect, including inventions, designs, brand identities, and literary or artistic works.⁴
10. **Local Government Units** - refer to political units composed of provinces, cities, municipalities, and barangays.⁵
11. **Local Universities and Colleges** - refer to Commission on Higher Education (CHED)-accredited higher education institutions (HEIs) established by LGUs through an enabling ordinance, financially supported by the concerned LGU, and compliant with CHED's policies, standards, and guidelines.⁶
12. **Pre-commercialization** - this involves developing and refining innovative products, technologies, or services to prepare them for the market. Activities in this stage include research, prototyping, testing, and improving the innovation to ensure it meets market needs and standards.
13. **Program, activity, and project** - refers to series or a group of work processes undertaken to achieve desired outputs and outcomes.
14. **Program/Project Leader** - refers to the individual who serves as the lead member of the approved program/project who is in-charge of the successful and timely execution of approved PAPs.

⁵ Department of Budget and Management (2024). Chapter 9: Position Classification and Compensation Scheme in Local Government Units

⁶ Republic Act No. 10931, Section 3(e)

15. **Proponent** - refers to a public entity intending to submit or having already submitted a proposal for funding under the Innovation Grants.
16. **Public School** - refers to learning institutions funded by the government that offer general education from kindergarten to Grade 12.
17. **Savings** - refer to portions or balances of any line-item budget in the approved financial plan that are free from any obligation or encumbrance and are realized from the implementation of activities at a lesser cost.⁷
18. **State University and College** - refers to public HEIs established by the national government and are governed by their respective independent boards of trustees or regents.⁸
19. **Unexpended Balance** - refers to the remaining, unobligated funds from the approved budget for PAPs.

V. TYPES OF INNOVATION PAPs FOR FUNDING

- a. Funding support can be provided to new or existing innovation PAPs implemented by a public entity, subject to the eligibility requirements stipulated in Section VI of this document.
- b. The following types of innovation PAPs may qualify for funding under the 2024 Innovation Grants:

1. **Pre-commercialization, Commercialization, or Diffusion of Innovations**

This refers to innovation PAPs aimed at developing and refining innovative products, technologies, or services to ensure their readiness for the market, mitigating risks prior to full-scale commercialization. It also includes support to the commercial production and transfer of such innovations across markets, and their dissemination and adoption within target markets or communities.

For proposals under commercialization, implementing entities must identify a private enterprise or partner that commits to adopting, utilizing, or employing their innovative product, service, or technology to be funded.

2. **Innovation Facilities and Services**

This refers to physical spaces, resources, and support programs designed to foster innovation, particularly by providing support services for entrepreneurial activities to enable the successful transfer of innovation across markets.

⁷ Department of Budget and Management. National Budget Circular No. 592

⁸ Republic Act No. 10931, Section 3(m)

3. **Innovation Culture Promotion and Capacity-Building**

This refers to innovation PAPs aimed at fostering a culture of innovation and strengthening the innovation ecosystem, which includes educational programs, capacity-building activities, trade exhibits, expositions and missions, and other networking activities for collaborative partnerships.

4. **Innovation Policy and Administration**

This refers to PAPs focused on the introduction and application of innovation policy solutions, regulatory measures, digital information initiatives, and other public administration innovations. These PAPs aim to enhance efficiency, productivity, and quality of public services.

- c. Proponents may combine components from each type as they deem relevant. The specific subtypes for each type, along with the corresponding and/or recommended expected outputs, are detailed in Annex A: Types of Innovation Programs, Activities, and Projects.
- d. Funding shall be provided in a manner that prevents duplication of initiatives. Such support shall also consider the implementing entity's capacity to implement and ensure compliance with applicable laws, rules, and regulations.

VI. ELIGIBILITY REQUIREMENTS

The following are the eligibility requirements in accessing the 2024 Innovation Grants:

a. **For the Program/Project Proposal**

- 1. General objectives and expected outputs and outcomes of the proposal are aligned with and contributory to the goals outlined in the National Innovation Agenda and Strategy Document, Philippine Development Plan, and for those with local and regional in scope, the Regional Development Plan; and
- 2. No duplication with completed and ongoing publicly funded PAPs.

b. **For the Implementing Entity**

- 1. Must be a government agency, including departments, bureaus, offices, other instrumentalities, SUC, public school, GOCC, or LGU, including LUC;⁹
- 2. Must be able to issue an Official Receipt (OR), electronic OR, or electronic Acknowledgement Receipt for the receipt of funds;
- 3. Authorized to receive funds and/or collect revenues;
- 4. For SUCs, GOCCs, and LGUs, must have an authorized trust fund account to serve as the depository account for the grant funding;
- 5. For NGAs and public schools, must have an organization code based on the Unified Account Code Structure and an existing Modified Disbursement System trust account;

⁹ See table under Section IX, item a.3 for reference.

6. For those who previously received funding under the 2022 and 2023 Innovation Grants, they must be cleared of all physical and financial accountabilities from completed projects; and
7. For those with an identified private enterprise or partner, they must ensure that the private enterprise or partner's incorporators, organizers, directors, or officers are not agents of, or related by consanguinity or affinity up to the fourth civil degree, to the implementing entity officials and project team members.

c. For the Program/Project Leader

1. Must be a Filipino citizen of legal age;
2. Must hold a permanent or regular position and not due to retire during the period of implementation;
3. Must not have been found guilty of administrative or criminal case, including those under appeal; and
4. Must not be an agent of or related by consanguinity or affinity up to the fourth civil degree to NEDA officials and technical staff authorized to process and/or approve the proposal, Memorandum of Agreement (MOA), and process the release of funds.

VII. ORGANIZATIONAL STRUCTURE AND RESPONSIBILITIES

a. NIC-Executive Technical Board (NIC-ETB)

The NIC-ETB shall be responsible for the deliberation and approval of proposals to be funded under the 2024 Innovation Grants.

b. NIC-ETB Chairperson

The NIC-ETB Chairperson shall have the following authorities and responsibilities:

1. Enter into agreement, on behalf of the NIC and NEDA, with the implementing entities of approved proposals;
2. Sign all documents necessary for the transfer of funds to implementing entities from the Revolving Fund - Innovation Fund bank account;
3. Decide accordingly which proposals to approve during the deliberation of the NIC-ETB in case of ties and subject to the availability of funds; and
4. Approve or disapprove the requests for extension of program/ project implementation;
5. Approve or disapprove requests for line-item budget modifications amounting to less than One Million Pesos (PHP 1,000,000.00) per request; and
6. Report the results of the call for proposals and status of approved innovation PAPs to the NIC.

c. NIC-ETB Subcommittee

The NIC-ETB Subcommittee shall consist of the following NIC-ETB members: a) NIC-ETB Chairperson and b) NIC-ETB Vice Chairpersons. This Subcommittee is responsible for the approval or disapproval of requests for line-item budget modifications amounting to One Million Pesos (PHP 1,000,000.00) or higher per request.

d. NIC Secretariat Executive Director (NIC-ED)

The NIC-ED shall have the following authorities and responsibilities:

1. Revalidate the consolidated results and consequently endorse the shortlisted proposals to the NIC-ETB for approval;
2. Co-sign all documents required for the transfer of funds to implementing entities from the Revolving Fund - Innovation Fund bank account;
3. Endorse to the NIC-ETB Chairperson or NIC-ETB Subcommittee the requests for line-item budget modifications; and
4. Endorse to the NIC-ETB Chairperson the requests for extensions of innovation PAPs.

e. NEDA Innovation Staff (NEDA-InnovS)

The NEDA-InnovS shall provide administrative and technical support for the effective implementation and administration of the 2024 Innovation Grants. It shall have the following authorities and responsibilities:

1. Facilitate the announcement of the call for proposals;
2. Approve user requests and manage the overall processes of EIGIS;
3. Conduct initial completeness and eligibility check of all submitted proposals, and preliminary check and reclassification of proposals;
4. Conduct technical evaluation of proposals;
5. Perform organizational and risk-based assessments of proposals;
6. Notify proponents about the status of their application;
7. Facilitate the fund transfer and utilization of the 2024 Innovation Grants, in coordination with the NEDA-Financial Planning, and Management Staff and Administrative Staff;
8. Facilitate negotiation meetings and the signing of MOA between the implementing entities and NEDA;
9. Coordinate and oversee implementation of approved innovation PAPs;
10. Conduct field validation activities and ensure the implementing entities submit monitoring and reporting requirements; and
11. Oversee the proper close-out process of the 2024 Innovation Grants.

f. NEDA Sector Staff (NEDA-SS) and NEDA Regional Offices (NROs)

The NEDA-SS and NROs shall have the following responsibilities:

1. Conduct preliminary check on the appropriateness of the indicated scope, location of implementation, and priority area of the submitted proposals, and reclassification of proposals;
2. Conduct technical evaluation of proposals within their sector expertise or with regional scope; and
3. Participate in field validation activities of approved innovation PAPs.

Select representatives from the NEDA-InnovS, NEDA-SS, and NROs shall compose the Technical Evaluation Panels (TEPs), as presented in Section IX (Item b.2.2).

All public officials and employees involved in the management and administration process of the 2024 Innovation Grants shall be governed by RA No. 6713, otherwise known as the Code of Conduct and Ethical Standards. They shall ensure professionalism, commitment to public interest, and avoid all forms of conflict of interest.

VIII. FUNDING LIMITATIONS

- a. Double funding is prohibited. Proponents shall ensure that any components of their proposed innovation PAPs have not received funding from the FY 2024 GAA or any other sources involving public funds.
- b. Any proposal that includes any form of investment, such as, but not limited to money market placements, time deposits, real property and motor vehicle¹⁰ purchases, or any other financial investments, will not be permitted and may be grounds for disapproval.

IX. ADMINISTRATION OF THE 2024 INNOVATION GRANTS

The process from the submission of proposals to their evaluation and approval or disapproval is illustrated in Annex B: Process Flow of the Evaluation and Approval Process of Proposals.

a. Submission of Proposals

1. NEDA shall issue the call for proposals to be disseminated across multiple channels, including the official websites of NIC member agencies, and other relevant communication platforms.
2. Proponents must register at EIGIS to submit a proposal. They shall accomplish the electronic forms and upload the required documents, which shall include the following details or information:
 - 2.1. General information about the proponent;
 - 2.2. Details of the proposal (i.e., title, brief description, significance and rationale, general and specific objectives);
 - 2.3. Theory of change;

¹⁰ Specifically, motor vehicle types under the approving authority of DBM, DILG, LCEs, and Office of the President as stated in Section 6.1 of DBM Budget Circular No. 2022-1 dated 11 February 2022.

- 2.4. Work and financial plan (including target outcome and output indicators);
 - 2.5. Sustainability plan;
 - 2.6. Technical drawings, if applicable;
 - 2.7. For those who previously received funding under the 2022 and 2023 Innovation Grants:
 - i. Certification from the proponent's chief accountant that previous funds received from NEDA have been liquidated, post audited, and recorded in the books;
 - ii. Certification from NEDA confirming the proponent has no outstanding physical or financial accountabilities from previously completed projects; and
 - 2.8. Other relevant information.
3. An official endorsement letter from the following authority must also be submitted with the proposal:

Proponent	Level	Signatory
NGA	Central office	Secretary or Undersecretary
	Attached agency or Operating unit	Head of Agency
	Regional, provincial, or field offices	Regional Director
LGU including LUC	Provincial government	Governor
	City or municipal Government	Mayor
	Local university or college	President or Chancellor
SUC	University or college	President or Chancellor
Public school	Department of Education schools	Schools Division Superintendent
	Department of Science and Technology Philippine Science High School	Executive Director
GOCC	Central	Head of Agency
	Regional, provincial, or field Offices	Regional Director or its equivalent

b. Evaluation of Proposals

1. Preliminary Evaluation

1.1. All proposals submitted through EIGIS on or before the deadline will undergo an initial completeness check to be conducted by the NEDA-InnovS to assess the correctness and completeness of the forms and documents submitted. Furthermore, eligibility checks of the submitted program/project proposal, its implementing entity, and program/project leader will also be conducted. Failure to comply with one or more of the

required documents, forms, and other eligibility criteria shall be grounds for disapproval of the submitted proposal.

1.2. The NEDA-InnovS, together with NEDA-SS and NROs, will also review the appropriateness of the indicated scope, location of implementation, and priority area of the submitted proposals. Reclassification will be conducted as deemed necessary.

1.3. The following reasons shall constitute grounds for the disapproval of the submitted proposal during the preliminary evaluation, preventing it from proceeding to the subsequent technical evaluation:

- i. Lack of basis for evaluation due to insufficient documents or information submitted;
- ii. One or more of the program/project objectives and/or components do not align with the allowed types of innovation PAPs for funding outlined in Section V; or
- iii. The implementing entity and/or the program/project leader do not meet the eligibility requirements stipulated in Section VI.

2. Technical Evaluation

2.1. Proposals that pass the preliminary evaluation will proceed to the technical evaluation, where the technical merits and viability of the proposal will be assessed using the criteria outlined in Annex C: Technical Evaluation Criteria.

2.2. The technical evaluation shall be conducted by TEPs. The composition of the TEPs and the proposals they will evaluate will be organized into clusters based on the location and scope, and priority area of the proposals received. The following outlines the possible compositions of TEPs:

Location and Scope of Proposal	Composition of TEP
Local	1. One technical staff from the NRO where the proposal is to be implemented (*from Bangsamoro Planning and Development Authority (BPDA) for proposals to be implemented in BARMM); 2. One technical staff from NEDA-SS in charge of the primary priority area of the proposal; and 3. One technical staff from NEDA-InnovS.
Regional <i>*including Bangsamoro Autonomous Region in Muslim Mindanao (BARMM)</i>	

Location and Scope of Proposal	Composition of TEP
Inter-Regional	1. One technical staff from NRO where implementing entity is located (NEDA-InnovS if not applicable);
National	2. One technical staff from NEDA-SS in charge of the primary priority area of the proposal; and
National Capital Region	3. One technical staff from NEDA-InnovS.

2.3. Only proposals that pass the hurdle rate of 75 percent in the technical evaluation will proceed to the next level which involves organizational and risk-based assessment. Proposals that fail to meet the required score will be disapproved.

2.4. All members of the TEP shall sign a non-disclosure agreement and a non-conflict of interest undertaking.

3. Organizational and Risk-based Assessment

3.1 Proposals that pass the technical evaluation will proceed with the organizational and risk-based assessment, where the proponent's capacity to implement its proposed innovation PAPs will be assessed by NEDA-InnovS based on the criteria outlined in Annex D: Organizational and Risk-based Assessment Criteria.

3.2 Together with the technical evaluation ratings and findings of the organizational and risk-based assessment, the NIC-ED shall revalidate the consolidated results and consequently endorse the shortlisted proposals to the NIC-ETB for approval.

c. Approval and Confirmation Process

1. The NIC-ETB shall convene to deliberate the approval or disapproval of the shortlisted proposals. Proponents may be invited to discuss their proposals during the deliberation of the NIC-ETB.
2. Proposals shall be deemed approved if they receive at least two-thirds affirmative votes from the NIC-ETB members or their authorized representatives present during the meeting.
3. The NIC-ETB reserves the right to approve or disapprove any proposal, or separable portions thereof, and to waive any irregularity, technicality, or omissions as needed.

4. Subject to availability of funds, proposals with the highest number of votes shall be prioritized for funding, and in the case of ties, the NIC-ETB Chairperson shall decide accordingly.
5. The results of the evaluations will be submitted to the NIC for their information. NEDA-InnovS will notify the proponents of the outcome of their application.

d. Project Implementation

1. Negotiation of Terms

Prior release of approved funds, the implementing entity shall submit the following:

- 1.1. Updated project forms following the terms negotiation with the NEDA-InnovS;
- 1.2. Bank certification issued by chief accountant or its equivalent;
- 1.3. Updated contact details of key officials and program/project team members;
- 1.4. If necessary, proofs of land titles and other related documents critical to project implementation (i.e., for those involving refurbishment, renovation of structures, etc.); and
- 1.5. Other required affidavits, and physical and financial documentary requirements.

2. Fund Release

2.1. NEDA shall transfer the approved funds to the implementing entity either in full or in tranches, depending on the terms of negotiation and upon receipt of the signed MOA and other documentary requirements, subject to availability of funds and the usual accounting and auditing rules and regulations. Any bank charges resulting from the fund transfers, if any, shall be covered by the project funds.

2.2. The funds released to the implementing entity shall be available for use within the approved program/project duration, including approved extension, subject to existing government accounting and auditing rules and regulations.

3. Start of Implementation

The implementing entity must commence the program/project implementation upon release of funds from NEDA.

4. Modification of Program/Project Details

4.1. Requests for modifications to innovation PAPs details and the work and financial plan shall be subject to the review of NEDA-InnovS and

endorsement by the NIC-ED for approval of the NIC-ETB Chairperson or NIC-ETB Subcommittee, as the case may be.

4.2. All requests for modifications must include justifications from the implementing entity. The NIC-ETB Chairperson or NIC-ETB Subcommittee, as the case may be, reserves the right to approve or disapprove any proposed modification or separable portions thereof and to waive any minor irregularity, technicality, or omissions as needed.

4.3. Only two (2) requests for modifications are allowed and must be submitted at least two (2) months before the projected completion date, except in cases of *force majeure*.

4.4. If the Program/Project Leader resigns or separates from the implementing entity, the latter must inform NEDA in writing and include details of the new Program/Project Leader.

5. Extension of Program/Project Implementation

5.1. The implementing entity may submit to NEDA a request for an extension of program/project implementation, the duration of which must not exceed six (6) months. Such request shall be subject to review by NEDA-InnovS and endorsement by the NIC-ED for approval of the NIC-ETB Chairperson.

5.2. Request for extension with additional funding is not allowed.

5.3. Only one (1) request for an extension is allowed and must be submitted at least three (3) months before the projected completion date, except in cases of *force majeure*.

6. Purchase, Ownership, and Accountability of Equipment

6.1. Equipment purchased using the funds shall be used exclusively for the implementation of the approved innovation PAP and will be subject to usual government procurement laws and consistent with existing accounting and auditing rules and regulations.

6.2. The implementing entity shall have a complete record and documentation of all equipment procured.

6.3. For incomplete innovation PAPs, NEDA reserves the right to retain the equipment in compliance with existing government rules and regulations.

7. Monitoring and Reporting

7.1. Technical Monitoring

- i. The implementing entity shall submit periodic physical accomplishment reports and other reportorial documents to NEDA-InnovS using the prescribed format or template.
- ii. All reports must be endorsed and/or approved by the head of the implementing entity and consolidated by NEDA-InnovS for its records and/or submission to relevant authorities.
- iii. For programs, consolidated technical reports shall be submitted in addition to the individual project reports.
- iv. The failure of an implementing entity to submit technical and/or physical reportorial documents shall be considered grounds for suspension and/or termination of funding. In such an event, the implementing entity must return the disbursed amount in full.
- v. NEDA may conduct field validations as necessary. If issues and concerns arise during the validation process, a facilitation meeting will be held with the program/project team to discuss and resolve encountered issues.

7.2. Financial Monitoring

- i. The implementing entity shall submit periodic financial accomplishment reports, including financial accountability and liquidation reports with necessary supporting documents, to NEDA-InnovS using the prescribed format or template.
- ii. All financial reports must be endorsed and/or approved by the head of the implementing entity and reviewed or certified correct by the implementing entity's accountant.
- iii. The implementing entity shall make all records and documents related to the utilization of funds available to NEDA and the Commission on Audit. NEDA shall consolidate the reports for its records and/or submission to relevant authorities.
- iv. All unexpended balance, savings, and/or income shall be reported and included in the periodic and terminal reports submitted to NEDA and relevant authorities.
- v. The failure of an implementing entity to submit financial reportorial documents shall be considered grounds for suspension and/or termination of funding. In such an event, the implementing entity must return the disbursed amount in full.

8. Project Closeout

8.1. Terminal Report

A terminal report, using the prescribed format and its supporting documents shall be submitted to NEDA-InnovS by the implementing entity no later than six (6) months after the end of the implementation of the innovation PAP. All supporting documents and other relevant documents shall also be attached.

8.2. Unexpended Balances and Savings

Upon pre-termination or completion of the PAP, all unexpended balances and savings shall be reported and returned to the authorized government depository bank account for the Revolving Fund - Innovation Fund.

8.3. Audit and Inspection

The activities, operations, books of accounts, and records of the program, activity, or project shall be available for inspection or validation by an authorized NEDA representative and/or its auditor whenever necessary.

X. INTELLECTUAL PROPERTY

Matters affecting intellectual properties or intellectual property rights such as their ownership, protection, and utilization, technology disclosure, exclusivity of the license, use of commercialization, among others, shall be governed by RA No. 8293, otherwise known as the Intellectual Property Code of the Philippines, and other related Philippine laws on Intellectual Property such as the RA No. 10055, otherwise known as the Philippine Technology Transfer Act of 2009 and its amended implementing rules and regulations (IRR).

XI. MISCELLANEOUS PROVISIONS

Amendment. The provisions and annex of this JMC may be subject to amendment as deemed essential and mutually agreed upon by NEDA and DBM. Such amendments shall be consistent with RA No. 11293, its IRR, and other relevant statutory provisions, regulations, and issuances.

Separability Clause. If any clause, sentence, or provision of this JMC shall be declared invalid or unconstitutional, the other provisions not affected thereby shall remain valid and subsisting.

Repealing Clause. All previous orders, issuances, rules and regulations inconsistent with or contrary to this JMC are hereby repealed, amended and/or modified accordingly.

XII. EFFECTIVITY

This JMC shall take effect immediately.
